

**OBEAH MAN**  
**by Alban Henry**

**CHORUS**

Never never me again believe in obeah man  
No, no, no, no, no, no don't believe in obeah man

**Verse**

Papa Loulou fool me an tun me pappy show  
Ah feeling so ashamed ah don't want nobody know  
He say dey put ah jumbie lizard in me belly  
An ee want a cattle calf fuh tek it out ah me

Me went down to Petaney de story sound so true  
Carrying me cattle calf to pay Papa Loulou  
Ee tek me in a dark room dis tricky obeah man  
An ee start to wuk ee obeah wid ah candle in ee han

Ee pull ah little basket from underneath de bed  
Telling me don't frighten an turn away me head  
Ee open up de basket ah nearly faint away  
When Papa Loulou pull out ah living cocobay

Shame Papa Loulou yo ha no sympathy  
To rob me of me cattle calf ah poor woman like me
